COLLEGE CREDIT FROM TESTING
& DUAL ENROLLMENT

UNIVERSITY OF GEORGIA

YOUR COMMITMENT SAVES TIME AND MONEY

The average first-year student arrives at UGA with 7 or more college course credits from various sources. By planning your high school curriculum carefully, doing well on the standardized exams at the end of the course and submitting those scores to UGA via the Registrar's Office, you are able to enroll with several college courses completed. This allows UGA students to complete double majors, take time to study abroad, complete an internship or even change their major while enrolled, all while being able to complete their degree in four years.
