

FIRST-YEAR SCHOLARSHIPS

In today's economic environment, families are more concerned than ever with the cost of higher education. The University of Georgia continues to be one of the best buys among colleges, especially when rankings consider both the low cost of attendance and the high quality of education received. Last year, UGA awarded more than **\$3.5 million** in scholarships and awards from University Foundation funds to undergraduate students. Most academic (merit-based) scholarships for first-year students are awarded during the admissions process. Please visit admissions.uga.edu/scholarships for more information about our scholarship programs. Additionally, scholarships available through individual academic departments are typically awarded to upperclassmen, but prospective students can consult the Office of Student Financial Aid's scholarship hub Scholarship Universe by visiting osfa.uga.edu.
